Welcome to Riel Beach, we are happy to have you stay with us in one of our Cabins. Here are a few things that you might want to know or need to know

Our cabins are small and do not have running water. There is porta potty near by and also a shower house with flushable toilets. The showers are Lonnie operated. If needing loonies please come and see me or call me at 780-227-6111

Please Take your garbage to the bins nightly so that we do not attract bears. And so that the squirrels and birds do not tear it up and spread it all over

Please be respectful of the cabins and keep them clean. There is a broom and a Swiffer mop and wet wipes to help with keeping the cabin clean

There is a laundry facility with 1 washer and 1 dryer for your use if needing

Canoe, kayaks, paddle boats and paddle board rentals
